

BOING ATTITUDE :)

Have fun !

Boing Attitude Team wishes you an happy new year 2013! Lots of things are going on in the beginning of this year: after the quiz Ask Me Up, the explorer Dir Me Up was released on AmigaOS 4. Boing Attitude was also awarded at the Amiga Games Award 2012. Do not hesitate to send us your questions. Have fun!

Ask Me Up, now you know !

This game is a **quiz of general knowledge**. The principle is simple: **1 question, 4 possible answers** ... From 1.11 euro.

The game is currently available in English and French. We are currently working on an Italian version.

As expected, the game was released in early December 2012 on **AmigaOS 4, Android, Linux, Windows and MorphOS**.

Early this year, the game was awarded at the **Amiga Games Award 2012** and was elected **second best game on MorphOS and third best game on AmigaOS 4**.

Thank you for your support!

New interview of Glames

After the Italian magazine **Bitplane**, it is now the website **Ordiretro** who has conducted an interview of Glames. Many topics are discussed, such as the game **Ask Me Up**, game development and retro-gaming. [Read the interview](#) in French on the site Ordiretro.

Dir Me Up, explore your Amiga !

Dir Me Up, unlike our previous projects, is not a game This is an "explorer" which explores the contents of your Amiga but also copy, rename, view, listen ... Your files, pictures, music, ...

Dir Me Up is currently for **AmigaOS 4. MorphOS** and **AROS** versions are under consideration. This software will not be released on Windows, Linux or Mac, as these systems are already equipped with such tools.
